

# The Interurban

Marin and Sonoma lines.  
See system map for full service.

- Interurban Rail
- ⋯ Ferry
- Interchange/Terminus
- Station Stop

- Cloverdale Line
- Tiburon Line
- Novato Line
- San Rafael Line
- Manor Line
- Richmond Line
- Mill Valley Line

The Tiburon and Novato lines operate as one train between Novato and Detour.  
The Manor and San Rafael lines operate as one train between San Anselmo and the Transbay Terminal.

The Northwestern Pacific Interurban rail line went out of service after the construction of the Golden Gate Bridge. Of the old rail lines around the Bay Area, only two survived: Southern Pacific as Caltrain on the Peninsula and as Amtrak service in the East Bay, and the San Francisco Municipal Railway as Muni. But what if the Northwestern Pacific passenger lines had survived? What might it look like today?
